ECONOMIC DEVELOPMENT

NNN envisions, advocates for, and foresees.

- A government providing a strategic direction and leadership for the economy to flourish.
- An inclusive, vibrant, and diversified private sector that drives economic growth and sustainable economic development.
- A more robust, incentivised agricultural agenda to contribute to economic growth.
- An economic development agenda where all Namibians play a significant role, benefiting from the country's natural resources and value addition to create more jobs, skills and state revenue.
- The development of a service delivery and implementation framework to inculcate a culture that ensures efficient and effective service delivery and boosting of economic growth and employment.
- Namibia's potential to become a logistics hub through carefully considered port expansion.

YOUTH & SPORT DEVELOPMENT

NNN emphasizes.

- The need to create an environment for youth empowerment through SME support, industry development to facilitate youth employment and facilitate increased stream of education opportunities.
- Facilitation of rehabilitation of sports facilities and development of new facilities across the country.
- Investment in empowering talented athletes and facilitate new talent, to participate and compete in various sport codes at international, regional, and national levels.
- Advocate for increased investment in the Creative Industry, ensuring the expansion of the industry to unearth and capacitate new talent for social and economic development.

HOUSING & HEALTHCARE

On Housing & Healthcare NNN dreams of.

- A Namibia where every person can secure decent and affordable housing.
- The development of financial mechanism to support low cost housing in urban and rural areas.
- Prosperity and a dignified life for all Namibians to have access to portable clean drinking water, sanitation, electricity, and livelihood.
- A healthy and productive citizens that contribute to building a strong society.
- Citizens that have access to adequate healthcare.

AN EXTRAORDINARY LEADER

COMMITTED TO SERVE ALL
NAMIBIANS AND BUILDING A
NAMIBIA WHERE WE ARE ALL SAFE
AND PROSPERITY IS SHARED.

NNN's principles of governance

Values

A culture of teamwork, forward looking and ethical leadership approaches, and intergenerational collaboration, with a focus on youth empowerment.

Believes

In the equitable distribution of the country's resources, enhancement of social grants and safety nets to ensure protection of the most vulnerable.

Passionate

About efficient quality service delivery and people centred governance.

Advocates for

Sustainable and optimal use of natural resources for the collective benefit of all Namibians, through value addition and beneficiation as key strategies to create employment opportunities.

Reaffirms

That sustainable development is a tool to transform society generationally and enhance social justice , built nationally and internationally.

Prioritizes

Investment in human resource development and ensure a healthy society. Improvement of the education system and keeping the Namibian child in school. Foster a culture of skills development and competence to propel Namibia towards industrialization.

Commits to

Accelerate fair and equitable land tenure system in urban, rural, communal, and commercial areas, that promotes land accessibility, equitable distribution and increase productivity.

Guided by

“Solidary with the downtrodden, freedom for the oppressed, and social justice for the disadvantaged and focus on issues affecting the Namibian people”.
